

Hermitage School year 3 & 4

After school club Spring term 2019

ComputerXplorers is delighted to be able to offer an after school club for years 3 & 4 in the Spring term. We will run the club on a Wednesday afternoon and will tackle two exciting activities during the term.

LEGO robotics: The children will work in teams of 3 to build Lego robots which incorporate motors, light and movement sensors and which will be programmed to operate from a computer. They will learn basic engineering and programming principles.

Video game and animation programming. During the course the children will use Scratch to learn how to design and programme video games. We will start with simple games that introduce game principles and will then move on to make more sophisticated games with more design and programming.

- ➔ Each lesson will last one hour after school on a **Wednesday**. Please collect your children at 4.20 pm
- ➔ Dates: Jan 16, 23, 30, Feb 6, 13, 27, March 6, 13, 20, 27
- ➔ Cost for the 10 sessions is **£66 per child**.

How do I register?

To book a place on this course go our website (address below) and click on the 'book a class' button at the top of the page.

www.westsurrey.computerexplorers.co.uk

From the list of courses available select **Hermitage year 3 & 4 Spring 19** and complete the details requested. *Please take care to ensure that you are registering your child on the correct course*

Please get in touch if you have any questions about the course.
