Guitar and Brass Lessons at Hermitage School

Dear Parent/Guardian,

We at Surrey Arts are very pleased to be able to offer your child the opportunity to learn the guitar or brass instruments at their school. On Tuesday they attended a short demonstration session held by our teacher Mr Walker, where they were introduced to the instruments and listened to them being played. We really hope that they enjoyed this experience and are interested in learning this or a similar instrument.

As a result of the demonstration, we are able to offer **25% off our usual fees for brass lessons only** for your child's first term of lessons. Unfortunately this discount doesn't apply for the guitar.

If you would like to seize this opportunity for your child to learn guitar or brass with Mr Walker, you can either apply online at <http://www.surreycc.gov.uk/music> or fill in a paper copy of the Surrey Arts application form (which can be found in your school's reception) and return it to the main office by **Friday 20th September**.

Instruments can be hired or purchased from a local supplier or hired directly through Surrey Arts subject to availability. The cost of hiring an instrument from us is £25 per term, and we would be more than happy to contact you with further information after receiving your application.

We are also hoping to provide **woodwind** and **cello** demonstrations within the next few weeks with a view to providing lessons on the same terms as above (these instruments will also come with a 25% discount for the first term).

We look forward to hearing from you and hope that your son/daughter will be interested in learning an instrument with us.

Best wishes
