| <p>Write ten sentences which use conjunctions to make them longer.</p> <p>See conjunctions list on second sheet.</p> <p>Example: The Earth is warm because the Sun gives out heat.</p> | <p>Go outside when it is dark or look out the window and talk about what you can see. Can you count the stars? Can you find the moon? Write about what you saw or draw a picture.</p>               | <p>Cave paintings were an important way for people of the Stone Age period to record stories. We know a lot about their lives from these paintings. Tell a story by creating your own cave painting using <b>natural materials</b>.</p> | <p>Create a Victorian silhouette of yourself - see second sheet for details.</p>     |
| <p>Design your own space craft. Make sure you label it too.</p>  | <p>Plan a tea party on the moon for aliens! You could draw pictures of the food you want at the party. Think about what kind of food an alien might like. Write out an invitation to the party.</p> | <p>Research an aeroplane, ship or tank which was used in WWI. Draw a picture and label it. Include a detailed description about its use and other interesting details such as how it was made and which country it was made in.</p>     | <p>Create your own volcano. Think carefully about how you could make it.</p>         |
| <p>Write some words (adjectives) to describe this space scene. See second sheet for the picture.</p>   | <p>Write a recipe for some space inspired treats! For example cakes or biscuits.</p>  |   |  |

Victorian silhouette

You will need

Black paper, a light source, a person to draw round you and scissors.

Simply attach black paper to the wall, stand sideways on and cast your shadow using a lamp.

Ask an adult or friend to draw round the outline cast.

Cut out and you have your very own Victorian silhouette.
