

Orchard Ocean Homework Sheet

Orchard based learning	Orchard based learning	Afternoon class based topics	Afternoon class based topics
<p>Write ten sentences which use conjunctions to make them longer. See conjunctions list on second sheet.</p> <p>Example: The fish swam quickly so that it could get away from the shark.</p>	<p>Create a shoe box under the water scene.</p> <p>Draw your own underwater creature.</p>	<p>Use junk modelling materials to make a model of a rocket, space station, alien homes or spaceships.</p> <p>People in the Iron Age started making delicate jewellery. Design and make your own torc. Use the images on the second sheet to help you.</p>	<p>This needs parental help!</p> <p>What liquids will make cress grow best? Record your findings and explain what you found out.</p> <p>Try out the following liquids: lemonade, tea, coffee, vinegar, orange juice, or coke.</p>
<p>Create a poster to teach people about how pollution and rubbish in the sea is bad for the animals.</p>	<p>Write sentences for each of the homophones on the second sheet. Ask an adult to read and explain each word to you.</p>	<p>This needs parental help!</p> <p>Fill a balloon with water and freeze it. Once fully frozen, float in a bucket of water. Write what you can see and draw a diagram. It might be nice to take some pictures too.</p>	<p>Needs adult support, a sugar cube and some loose sugar.</p> <p>Which do you think dissolves faster: a spoonful of loose sugar or a sugar cube? How could you test this? Predict which dissolves faster. Design and carry out a fair test. To make it fair there must be the same amount of water in each container and you need to stir at the same speed. Write up what you found out.</p>
<p>Write some words (adjectives) to describe a sea creature.</p>	<p>Write some instructions about how to wash your hands properly. You could use pictures to help you explain. See second sheet for some help.</p>		<p>You could include a diagram and a table of results if you want.</p>
