

## Activities for 8-10s

Number 6, 02/06/2020

### Activity 1: Sharing Sam's silly photo

- Watch *Episode 2: Who's Magnus?* with your child at [www.thinkuknow.co.uk/8\\_10/watch/](http://www.thinkuknow.co.uk/8_10/watch/). You may have watched it before if you have completed previous #OnlineSafetyAtHome activities.
- Ask your child:
  - **What did Sam do that annoyed Megan?** [*He made a baby photo of Megan public on the Popcorn Wizard's page so everyone could see.*]
  - **What did Megan do next?** [*Megan posted mean comments about Ellie pretending to be Sam. This made Ellie upset.*]
- Explain that Sam should have asked for Megan's permission before sharing the photo. Discuss the meaning of the word *permission* (asking someone if it is OK to do something). Ask your child to think of situations where they might need to ask for permission e.g. if they want to borrow something, if they want to hug a friend, if they want to go to a friend's house. It is always important to ask permission before sharing another person's photo.
- Ask your child to read the scenario on p.2 and complete the activity.

### Activity 2: Making and sharing photos and videos

- Alfie loves making and sharing videos about gaming online. Look at the picture on page 3. If your child completed Activity Sheet 2 in this series, ask if they remember what actions Alfie has taken to help him stay safe. If not, ask your child to look at the picture and circle features which help Alfie stay safe online. [*E.g. profile picture is not a real picture, user name does not feature his name, privacy set to friends only.*]
- Explain that there are safe and unsafe things that someone can do when they are making and sharing photos videos online.
- Ask your child to read each statement on p.3 and decide if this is a safe or unsafe thing for Alfie to do.
- Discuss their answers using p.4 to help you. Explain the importance of asking a trusted adult before sharing photos or videos online.

## Making and sharing photos

Can you remember what important steps Alfie takes to make sure he is safe when making videos and posting them online?

Tips&Tricks to beat the boss

REC

Can you help Alfie to decide whether he should do these things online:

Alfie wants to...	Safe/unsafe
Take a selfie in his bedroom, in front of a wall with family photos on it, as well as a certificate with his name and school on.	
Take a silly and embarrassing photo and share it with his friends on an app which says it will delete it once it has been viewed.	
Share a video of Selfie playing a song. He wants to share it on Selfie's page. Only people they know offline, like friends at school and family, will be able to see it.	
Take a photo of himself and Sam in their school uniform. He wants to share it on an app where anyone can see it.
