

How can I use this with my children?

Once they've read the relevant chapters in the [Homework Help](#) area, children can complete this quiz to test their understanding of the topic.

How does this help my children's learning?

Short quizzes can be great for testing your child's knowledge and understanding of topics they've learnt at school.

Ideas for further learning:

Can your child write their own set of questions on a topic they've learnt or are interested in? They could host a quiz for their family or friends.

Aztec Quiz for Kids
