

Roots, Shoots and Fruits

Year 3 – Summer Term 1 2022

What's it all about? This topic is an interactive science-based topic exploring what plants are, the different processes involved in their life cycle and their importance in the natural world.

Scientists: We will be learning about the parts of flowering plants and what their purpose is, the life cycle of a plant, as well as pollination, germination and seed dispersal.

Readers: Using Destination Reader we will revisit the strategies taught so far including evaluating, questioning, predicting, summarising, inferring and making connections. We will apply them to our reading with increased confidence.

Spellers: The spelling patterns for this term will include adding suffixes –ness, -le, -el, -all and the 'ee' sound spelled 'ey'

Writers: In the first half of the summer term we will be using Charlie and the Chocolate Factory as a stimulus to create an advert, letter writing and write part of a story.

Mathematicians: The maths topics we will be exploring include, fractions, decimals and time

Games and PE: We will be exploring the units 'Physical Skills' and 'Health and Fitness' during our PE and Games lessons.

Design Technologists: During DT, we will be investigating, designing and making packaging for Willy Wonka's chocolates!

RE: We will learn about The Lord's Prayer.

Geography: We will learn about our local area and explore the human and physical features of Surrey and Woking. We will also compare Woking to London.

Musicians: We will be learning how to play the keyboard and to read musical notes on the staff.

Computing: We will focus on 'Word Processing' and 'Graphing'.

French: We will continue practising reading, writing and speaking with confidence in a range of topics

PSHE: We will be looking at how to be our best: the children will learn about healthy living as well as considering their own skills and talents as well as those of their peers.

Family Learning Ideas:

Visit Wisley Gardens or Kew Gardens. Grow your own plants and vegetables. Create art using natural materials. Take a walk around your local area. Make a list of sights and sounds.

Summer 1 Value: Positivity

Inspiring Everyone To Learn
